Itinerary

Day1: Tokyo

Arrival at Narita International airport → transfer to Tokyo → hotel check-in → free day in Tokyo

Your driver and guide will be waiting to greet you at the airport. You will be transferred to Tokyo using a private car, whereupon you will check into your hotel. You will then be given a briefing and a rundown on your itinerary.

After the exhausting flight to Japan, the family deserves a good rest for the remainder of the day. Drop your luggage, catch a breather, adapt to the surroundings, maybe call your friends at home to share your excitement. In case you have not already done so, the first day is a good opportunity to exchange your currency for yen and rent a mobile/wi-fi router.

Let the family rest up, because you are about to embark on a fancy adventure in Tokyo!

Day2: Tokyo

Asakusa → Ginza (lunch) → Happa-en → Yurikamome Ride → Yakatabune (dinner) → hotel in Tokyo

11:00 - Day start

Your driver and guide will be waiting for you at the hotel lobby. Hop into the car and enjoy the full-day excursion in Tokyo!

11:30 - 12:30 - Asakusa

Your first destination is Asakusa. This is where you can see many iconic landmarks of Tokyo, including Tokyo SkyTree, the tallest building in Japan, and Senso-ji - the oldest and busiest temple in the city, where visitors go to be purified by the sacred smoke from the burning incense. The street leading up to the temple is filled with countless traditional shops selling handmade Japanese souvenirs, among other things.

The area is lined with renowned department stores and luxurious boutiques and restaurants, making it a highly popular shopping district. There are also impressive works of architecture that make for great pictures, such as the Kabuki-za theater.

You will have lunch at an atmospheric Japanese restaurant. Here you can enjoy all sorts of traditional Japanese cuisine that you have never tried before!

In the afternoon, we will visit Happo-en. Happo-en is a tranquil Japanese landscape garden in the middle of the metropolis, said to be so named because it is beautiful from all eight angles (Happo = eight directions). The garden features several teahouses, a waterfall and a central pond. The rich foliage is carefully maintained, and the overall design is an epitome of Japanese refinement. You can take a leisurely stroll in the quiet garden, close to but away from the bustle of the city, or you can sip a cup of tea or two while listening to the rustling trees. Have a relaxing time with your family here!

16:30 - 17:00 - Yurikamome Ride

After that, we will drive to Shimbashi, where you will hop off the car to enjoy a ride on New Transit Yurikamome. This first fully automated guideway transit system of Tokyo is nothing short of sorcery. Named after the prefectural bird of Tokyo, the ride itself has become as much of an attraction as its destination - Odaiba. Enjoy the breathtaking view of the skyscrapers in the futuristic bay area from inside the train!

Once you are done with the ride, you will regroup with your driver.

17:30 - 20:00 - Yakatabune (dinner)

Finally, you will go on a cruise on Yakatabune, a traditional Japanese houseboat. The cruise will go along Sumida River, from Tokyo Bay to the familiar Asakusa area. See sights of the metropolis from the water, and watch as the city transforms in the twilight. You will see many magnificent bridges and landmarks of Tokyo throughout the cruise. By the end of the cruise, the sun will have completely set, and the evening skyline of Tokyo will greet you with its magnificent illumination.

For dinner, you will have a classy meal of tempura and other Japanese dishes on the boat.
